# 2017 SCHOLARSHIP APPLICATION

## *DeKalb County Farm Bureau's Summer Agriculture Institute*

We are pleased to offer a limited number of $800 scholarships for educators who participate in the DeKalb County Farm Bureau's 2017 Summer Agriculture Institute, "Teaching about Food, Farming, and the Environment." To be eligible, teachers must meet the following requirements:

1. Currently teach or reside in DeKalb County
2. Take the course for NIU graduate credit (not professional development hours)
3. Do NOT have access to NIU instructional waivers or tuition reimbursement from their school or district
4. Submit this application AND the Summer Ag Institute application found at http://bit.ly/2f0DH8L

**Scholarships will be awarded on a first-come, first-served basis to those meeting the requirements listed above.** Recipients will be notified within 2-3 days. Checks will be issued upon successful completion of the course and required assignments.
